CLODIA

2021

clodia

inspired by nature and the structure of its elements, by its natural and ferrous colours and its diaphanous transparency

puise dans la nature et dans la structure même de ses éléments, dans ses couleurs naturelles et ferreuses et dans des transparences diaphanes

inspiriert sich an der Natur und die Struktur ihrer Elemente, natürliche Farben, Farben, die an Eisen erinnern, durchsichtige Transparenzen

attinge alla natura e
alla struttura stessa
dei suoi elementi,
ai suoi colori
naturali e ferrosi,
alle sue diafane
trasparenze

Composizione Decoro Clodia Polvere A/B/C

Abbiamo destrutturato una foglia ed esaltato le sue nervature

We have de-constructed a leaf and
highlighted its venations

Nous avons déstructuré une feuille et exalté
ses nervures

Wir haben ein Blatt dekonstruiert und die
Blattrippen besonders hervorgehoben

Deliberately essential
Volontairement essentielle
Bewusst schlicht

Volutamente essenziale

Una palette
di colori che
profumano
di terra

A palette of colours full of earthy fragrances
Une palette de couleurs qui sentent la terre
Eine Farbpalette mit dem Duft nach Erde
